EXPLANATORY STATEMENT

The European Union is a Contracting Party to the International Coffee Agreement (ICA) 2007 and a member of the International Coffee Organization (ICO). The 2007 ICA entered into force on 2 February 2011. On 28 July 2021, the Council authorised the Commission to open negotiations for amendments to the 2007 Agreement. The negotiations were successfully concluded and the text of the International Coffee Agreement 2022 (the ‘2022 Agreement’) was approved by the International Coffee Council at its 133rd Special Session on 9 June 2022.

The new 2022 Agreement updates the balance of the voting and the contribution systems and addresses the integration of the private sector and civil society into the work of the ICO. The new Agreement takes into account the objectives of simplification and streamlining while maintaining the intergovernmental nature of the ICO.

The 2022 Agreement is to replace the 2007 Agreement, which has been extended until 1 February 2028. The European Union is a Contracting party to the 2007 Agreement, it is therefore in its interest to sign and conclude the 2022 Agreement.

The file was referred to the European Parliament, on 10 September 2026. In accordance with Article 218(6) TFEU, the consent of the European Parliament is needed in order for the Council to adopt a decision concluding the Agreement and for the latter to come into force in due time.

In the light of the above, the Rapporteur recommends that the Parliament give its consent to the conclusion of the Agreement, without prejudice to its democratic right of continuous scrutiny.

ANNEX: DECLARATION OF INPUT
