to the Commission**
Rule 144
Kathleen Funchion (The Left)

Subject: Regulation (EU) 2021/2117

1. Why does Regulation (EU) 2021/2117 not mandate compulsory labelling on all alcoholic beverages in accordance with the Food Information to Consumers Regulation¹?
2. Why was that decision taken given it is at odds with the political commitment made in 2021, under the Commission's Beating Cancer Plan, to amend the Food Information to Consumers Regulation to mandate ingredient and nutritional labelling on all alcoholic beverages?
3. How does this decision align with the stated aim of the Commission 'to leave no stone unturned to take action against cancer'?
