

**Question for written answer E-002879/2024
to the Commission**
Rule 144
Moritz Körner (Renew)

Subject: Borders

The Commission is asked to answer each of the following questions:

1. From which EU budget line(s) are external border protection measures financed?
2. Are Member States legally permitted to seek EU funding for physical barriers to secure the EU's external borders?
3. Do the co-legislators need to adopt any changes to the EU budget or the *acquis* in order to allow Member States to seek EU funding for physical barriers to secure the EU's external borders?
