

**Question for written answer E-002887/2024
to the Commission**
Rule 144
Moritz Körner (Renew)

Subject: Cohesion

Since 2014, how much has the EU's cohesion policy impacted the gross domestic product of regions of Member States that joined the EU before 2004?

The Commission is asked to provide average figures per year and per Member State, for each year since 2014 for all Member States that joined the EU before 2004.
