

**Question for written answer E-001757/2025/rev.1
to the Commission**
Rule 144
Barbara Bonte (PfE)

Subject: Subsidising ECCAR

The Commission provides grants to the NGO Coalition of European Cities against Racism (ECCAR), a far-left organisation that seeks to acquire as many cities as possible as members.

What is the motivation behind subsidising what is a purely ideological project with no real benefit for society?
