Subject: Israel's intention to take full control of the Gaza strip and remove the Palestinian population from the area – EU's actions and reactions

1. How does the Commission intend to respond to the Israeli Government's announcement regarding the Gaza strip, which involves forced population transfers prohibited under international law?
2. Will the Commission propose new measures – such as sanctions on members of the Israeli Government, the suspension of the arms trade with Israel or the EU-Israel Association Agreement, or support for the recognition of the State of Palestine – in response to Israel's violations of international law?
3. How will the Commission ensure that the EU upholds its commitment to human rights and international law in its response to the situation in Gaza?
