

Question for written answer E-002282/2025

to the Vice-President of the Commission / High Representative of the Union for Foreign Affairs and Security Policy

Rule 144

Arkadiusz Mularczyk (ECR)

Subject: EU humanitarian and development aid for Cuba

Given the European Union's robust sanctions regime against Russia in response to the country's illegal war of aggression against Ukraine, and the reported involvement of thousands of Cuban soldiers fighting alongside Russian forces in Ukraine, how does the Commission reconcile its continued provision of significant humanitarian and development support to Cuba with its stated commitment to upholding international law and deterring actors who facilitate or participate in Russia's war effort?
