

**Question for written answer E-002558/2025
to the Commission**
Rule 144
Anders Vistisen (PfE)

Subject: The Commission's role in ensuring legal certainty, consistency and balance between security and investment in Member States' FDI screening

1. Is the Commission aware that Member States like Denmark are having major problems in implementing the FDI Regulation in practice?
2. How does the Commission define what constitutes a hostile state or investor where FDI is concerned?
3. How does the Commission balance security concerns with the need for foreign investment and legal certainty for businesses?
