to the Commission**
Rule 144
Moritz Körner (Renew)

Subject: China's unofficial police stations in the EU

China is alleged to have established dozens of unofficial police stations throughout the EU.

1. Does the Commission know how many such stations exist in the EU, and where they are?
2. What action has the Commission taken against these stations to date?
3. To its knowledge, do any other third countries have unofficial police stations in the EU?
