

**Question for written answer E-002979/2025
to the Commission**
Rule 144
Moritz Körner (Renew)

Subject: Al Jazeera 2

In its reply to my question for written answer E-001439/2025¹, the Commission did not answer the questions raised. I hereby ask that it actually reply to all the questions raised below.

Al Jazeera has been banned in several non-EU countries for inciting violence and sectarianism.

The European Union has implemented bans on several media outlets within its territory, for instance RT/Russia Today and Sputnik, primarily in response to concerns about propaganda and disinformation.

Can the Commission please answer each of the following questions, giving its reasoning in each case:

1. Why has Al Jazeera so far not been banned in the EU?
2. Does the Commission recommend the banning of Al Jazeera?
