

**Question for written answer E-003349/2025/rev.1
to the Commission**
Rule 144
Jorge Martín Frías (Pfe)

Subject: Management of EU funds in Cuba

I recently asked the Commission¹ when it would apply the democratic clause of the Political Dialogue and Cooperation Agreement (PDCA) between the EU and Cuba to comply with Parliament's mandate and to suspend the agreement due to the regime's repression, and also asked about the control and monitoring mechanisms for overseeing how funds that the EU sends to the Cuban Government are used, to ensure that they are not being used to fund human rights violations or political repression.

Given the Vice-President / High Representative's response², I ask the Commission:

1. Over the past five years, how much money has been sent to Cuba as part of this Agreement and through which financial instruments?
2. Is the Commission duly accrediting the sums being sent and the organisations to which EU taxpayers' money is being transferred? If so, could the Commission provide a list of these organisations and the sums given to each?
3. Is the Commission aware of any suspicions or indications of fraud, corruption or other illegal activity related to these funds?
