

**Question for written answer E-003988/2025
to the Commission**
Rule 144
Billy Kelleher (Renew)

Subject: Submission of additional data under Article 12 of the Birds Directive

Can the Commission clarify whether a Member State that submitted its six-yearly report under Article 12 of the Birds Directives before the 31 July 2025 deadline can make further submissions, such as the provision of bag count data, which was not available before the deadline?
