Question for written answer E-004518/2025
to the Commission
Rule 144
Moritz Körner (Renew)

Subject: Palestinian Authority

In its reply to my question E-002893/2024[1], the Commission stated that the Palestinian Authority (PA) had carried out all prior actions contained in the letter of intent and that the milestones for future disbursements would be identified in the framework of the financing agreement between the Commission and the PA signed in June 2025.

The letter of intent mentioned:

reforming all pre-existing social protection systems; key performance indicator: publication of a new social protection law;

preparation of a plan for an education reform, including the modernisation of the curriculum; key performance indicator: adoption of the action plan.

The Commission is asked to explain in detail:

1. What actual reforms have been adopted, implemented and executed concerning social protection systems and the curriculum?

2. What actual milestones for future disbursements have been set, which of these have been fulfilled, and how much money has been transferred on the basis of the financing agreement?
