Question for written answer E-004534/2025
to the Commission
Rule 144
Moritz Körner (Renew)

Subject: Climate aid for non-EU countries

1. Does the Commission provide climate aid or climate finance to non-EU countries?

2. If so, which non-EU countries have received such funding since 2019 and how much have they received?

3. For which specific projects or programmes was the funding used? Could the Commission please provide a list of all projects and their objectives?
