

**Question for written answer E-002981/2026/rev.1
to the Commission**
Rule 144
Moritz Körner (Renew)

Subject: Aid to Ukraine

1. How much funding has been pledged and actually disbursed to Ukraine by the European Union and each Member State since February 2022, including military, financial, humanitarian and economic support? What costs have been incurred as a result of accommodating and assisting Ukrainian refugees?
2. Does the Commission know how much Member States have paid Russia in the same period to import energy (all forms of energy and transport charges)? The Commission is asked to provide the total amount and, if possible, the amounts broken down by Member State.
