Question for written answer E-013473/2015
to the Commission
Rule 130
Georg Mayer (ENF)

Subject: The influx of migrants as a positive factor

In an interview with the Süddeutsche Zeitung, the Commissioner for Economic and Financial Affairs, Pierre Moscovici, spoke of authorising higher levels of debt with regard to the Stability and Growth Pact due to the refugee crisis, as he sees the refugees as an investment.

Can the Commission provide documents which demonstrate that the influx of refugees is advantageous to the European economy?
