Rule 144

Jorge Buxadé Villalba (Pfe)

Subject: Report by Spanish police demonstrating involvement of Moroccan security forces in the attack in Ceuta

A recently published report by the Spanish National Police demonstrates, on the basis of detailed data, the involvement of Moroccan security forces in the assault of more than 80 000 people in the Spanish city of Ceuta on 30 and 31 July 2026.

The report includes evidence of the presence of both uniformed and covert Moroccan agents as facilitators of mass entry. It concludes that their presence was ‘no coincidence’, notes a ‘high degree of specialisation’ and repeats subsequent statements by members of the Moroccan Government questioning Spain’s sovereignty over Ceuta and Melilla.

Bearing in mind this information, which directly links the Moroccan administration to the perpetrators of the attack:

1. Does the Commission consider this a hybrid attack by a third country involving the instrumentalisation of migrants?
2. Does the Commission intend to suspend the Euro-Mediterranean Association Agreement between the EU and Morocco, along with any other EU funding, in the light of this attack on a Member State?
3. Does the Commission intend to activate any financial sanctions mechanism akin to those previously proposed in response to similar hybrid attacks at the eastern border?
