Answer given by Executive Vice-President Dombrovskis
on behalf of the European Commission
(28.11.2024)

The Commission analyses each payment request in accordance with the requirements set out in Regulation (EU) 2021/241 establishing the Recovery and Resilience Facility (RRF)¹.

The Commission assesses the completion of the milestones and targets only upon the submission of each payment request. The measures referred to in the question fall under component 14 (i.e., modernisation and competitiveness of the tourism sector), milestones 220 and 221, of the Spanish Recovery and Resilience Plan². These would tentatively be submitted under the 7th and 10th payment requests. For each measure, the RRF Regulation requires, among others, the need to ensure the respect of specific conditions of the Do-No-Significant-Harm principle. Disbursements under the Facility are tied to the satisfactory fulfilment of these conditions.
