Answer given by Mr Serafin

(5.5.2025)

The Commission would like to kindly refer the Honourable Member to the publicly available Financial Transparency System (FTS)¹. In accordance with Article 38 of the Financial Regulation², on the FTS portal, the Commission makes available information of grant recipients of funds financed from the budget. The information concerning financial year 2024 will be published in June 2025.

The Commission implements EU funding fully in line with the relevant EU legislation adopted by the EU legislator, in particular the Financial Regulation, which sets out the relevant provisions to ensure that the financial interests of the Union budget are protected. For example, the Financial Regulation sets out specific rules to ensure that procurement and grant funding from the EU budget respect equal treatment, non-discrimination and transparency.
