E-001534/2025

Answer given by Executive Vice-President Virkkunen
on behalf of the European Commission
(12.6.2025)

The Commission replied to written questions E-001534/2024 and E-003062/2024, reiterating its strong condemnation of Russia's espionage, hybrid threats and disinformation campaigns.

As stated in those replies, the country chapter for Poland of the 2023 Rule of Law Report¹ factually reported on the arrest by the Polish Security Services and the charge of illegal espionage on behalf of Russia of Pablo González not only on the basis of an alert published on the Council of Europe's platform but also on the basis of information brought to the Commission's attention by different organisations. The Commission did not take a position or make an assessment about this case.

The Commission will continue monitoring developments in the Member States and remains committed to strengthening the Rule of Law Report.
