(25.6.2025)

The Honourable Member can find the requested information in the attached Annex I¹.

¹ The information presented in Annex I was extracted on 16 May 2025, and covers the period from December 2022 to that date. Since the Annex does not cover a full financial year, the figures may differ from other official publications (e.g. the Financial Transparency System, Member States reports, others). Moreover, Annex I includes programmes managed by both the Commission and national authorities in Member States, such as ministries and public institutions – shared management, where the Member State is an intermediate beneficiary re-distributing the EU funds to the final beneficiaries.
