Answer given by Mr Serafin
on behalf of the European Commission
(14.8.2025)

The Commission's accounting system groups the legal entities funded by the Commission according to certain categories¹. 'Civil society organisations' are not a category on their own but part of one or another category, with no specific split per entity within that category. For this reason, the Commission is not in a position to provide an exhaustive overview of the support from the EU budget provided to 'civil society organisations'. The Commission's Financial Transparency system² publicly shows the EU funding received by a given beneficiary and beneficiary type, also below EUR 500 000. Where an organisation is listed in the Transparency Register³, it must publish EU funding received, which can thus be verified as well.

Moreover, the projects awarded under the Citizens, Equality, Rights and Values Programme⁴, the Asylum, Migration and Integration Fund⁵, Horizon Europe⁶, and Erasmus+⁷ during the years from 2018 to 2024, including their beneficiary(ies) and the EU contribution awarded per entity are publicly available on the EU Funding & Tenders Portal in the section Projects & Results⁸.

Under the Asylum, Migration and Integration Fund (AMIF) 2021-2027⁹, several calls have been launched, with details available at the following links: AMIF-2025-TF2-AG-INTE (Transnational Actions on Asylum, Migration and Integration)¹⁰; AMIF-2024-TF2-AG-INFO (Information and awareness raising campaigns on the risks of irregular migration in third
