Answer given by High Representative/Vice-President Kallas
on behalf of the European Commission
(18.8.2025)

The European External Action Service (EEAS) does not monitor nor comment on communications, which concern the internal affairs of a specific Member State. With regards to any questions on this matter, the EEAS suggests the Honourable Member to contact the relevant authorities of the concerned Member State.

Margot Wallström is no longer a member of the College of Commissioners. Her comments are her own. It is Commission policy not to comment on statements by politicians.
