Subject: EU funds paid to Hungary — clarification of disbursement dates

According to the Commission's reply to Written Question E-001620/2025 ⁽¹⁾, the Commission disbursed approximately EUR 9.5 billion to Hungary between December 2022 and May 2025. Further to its reply, can the Commission provide a more detailed breakdown and indicate the specific dates on which the respective payments to Hungary were made and what amounts were transferred?

Submitted: 8.7.2025

The Honourable Member may find in the annex a more detailed breakdown per programme with specific dates on which payments to Hungary were made and what amounts were transferred.

The data has been sourced from ABAC (Accrual-Based Accounting System ⁽¹⁾), the Commission's financial management information system and covers the timeframe from December 2022 until December 2024. This is to ensure that only fully audited data of already closed financial years are shown.
