Answer given by Executive Vice-President Fitto
on behalf of the European Commission
(1.12.2025)

The Commission analyses every payment request against the requirements set out in Regulation (EU) 2021/241¹ establishing the Recovery and Resilience Facility. Moreover, this Regulation establishes that Member States shall ensure that the use of funds complies with the applicable EU and national law.

The measure in question falls under component 14, milestones 220 and 221 of the Spanish Recovery and Resilience Plan², tentatively to be submitted under the 7th and 9th payment requests, which have not yet been assessed. The measure includes specific conditions to ensure the respect of the ‘Do No Significant Harm’ principle. Disbursements under the Recovery and Resilience Facility are tied to the satisfactory fulfilment of these conditions.
