Subject: Delay in reporting by the Commission

According to the Asylum and Migration Management Regulation ⁽¹⁾, the Commission was under an obligation to adopt, by 15 October 2025, the European Annual Asylum and Migration Report, the Commission proposal for a Council implementing act that sets out the Member States which are under migratory pressure, at risk of migratory pressure or facing a significant migratory situation, and the Commission proposal for a Council implementing act establishing the Annual Solidarity Pool.

However, these documents have not been adopted by the required date.

1. Can the Commission explain in detail the reasons for this delay, and indicate when it will adopt these key documents?
2. Does the Commission foresee this delay in adoption having any impact on the entry into force of the provisions of the Pact on Asylum and Migration?
3. How does the Commission intend to guarantee compliance by the Member States with the legal deadlines set out in the pact, given its own failure to comply with a clear legal deadline?

Answer given by Mr Brunner on behalf of the European Commission
(13 January 2026)

On 11 November 2025, the Commission adopted the European Annual Asylum and Migration Report ⁽¹⁾, the Commission implementing decision on determining Member States under migratory pressure, at risk of migratory pressure or facing a significant migratory situation ⁽²⁾, as well as the Commission proposal for a Council implementing act establishing the Annual Solidarity Pool ⁽³⁾.

Launching the first annual migration management cycle is a very important step in the implementation of the Pact on Migration and Asylum ⁽⁴⁾ and a priority for the Commission.

Given that this is the first time the Commission is launching the annual migration management cycle in accordance with Regulation (EU) 2024/1351 ⁽⁵⁾ and that the implementation of that cycle will apply as of mid-2026, when Regulation (EU) 2024/1351 will start applying in full, the Commission took the time needed to properly calibrate all the necessary aspects to finalise the adoption of those acts.

This postponement has no impact on when the Pact on Migration and Asylum will become fully applicable, as of mid-2026. The Commission is working closely with Member States to ensure their readiness to apply the Pact on Migration and Asylum as of mid-2026.
