Answer given by Mr Serafin
on behalf of the European Commission
(18.2.2026)

The Commission publishes an overview of mission expenses per Member of the Commission every two months covering all missions undertaken, in accordance with the Code of Conduct for the Members of the European Commission¹.

The Honourable Member will find all relevant information on the total expenditure incurred by the Members of the Commission in the current year for its participation in G7, G20 and COP30 meetings, on dedicated webpages which ensure transparency of missions for the public².

The Commission regrets to inform further the Honourable Member that the information technology tool used for managing missions does not enable the Commission to automatically extract the specific data requested, especially because preparatory meetings, technical working groups or other meetings may take place in the framework of other missions.
