E-000418/2026

Answer given by Mr Serafin
on behalf of the European Commission
(21.5.2026)

The Commission would like to refer the Honourable Member to the information on missions expenses and third parties, which was provided in the answer to written question E-000189/25¹.

Information on missions by the Members of the Commission for the year 2025 and subsequent years is or will be made publicly available on dedicated webpages which ensure transparency of missions for the public² for both the President and the Members of the Commission. This information also details the cost breakdown of mission elements – such as travel, accommodation, daily allowances, and miscellaneous expenses.

The reason and cost of each mission is systematically published once the billing process is concluded.
