Answer given by Mr Serafin
on behalf of the European Commission
(26.5.2026)

The Commission invites the Honourable Member to consult the Financial Transparency System¹ (FTS). The portal makes available to the public information on recipients of funds financed from the EU budget and implemented directly by the Commission (at headquarters or in EU delegations to non-EU countries) and other EU bodies such as executive agencies ('direct management') or implemented indirectly by other international organisations or non-EU countries ('indirect management'), and beneficiaries of the European Development Fund.

The Annex contains an extract from the FTS website showing amounts awarded in 2024 to United Nations affiliated organisations, based on a list compiled from publicly available sources that may not be exhaustive. It indicates which organisations were awarded funding, the amounts awarded to each, and the overall total. The entities have been grouped, as far as possible, into the categories provided by the Honourable Member, in the absence of a definitive classification of these organisations. Please note that data for the year 2025 is not included, as it is currently being consolidated before the publication in June 2026 as part of the working documents of the draft budget for 2027.

Data on funding to international organisations in 2026 will be made available in Working Document IX as part of the 2028 Draft Budget Procedure.

The annual publications are based on Article 38 of the Financial Regulation (OJ L 193, 30.7.2018, p. 1–222), and in accordance with the third paragraph of the article, data on recipients is not disclosed for very low value contracts below EUR 15 000 and where disclosure risks threatening the rights and freedoms of the persons or entities.
