Answer given by Mr Brunner
on behalf of the European Commission
(15.7.2026)

The internal organisation of national administrations remains the responsibility of the Member States.

The Commission pursues efforts against organised crime and drugs trafficking as a matter of priority. Key measures are the implementation of the ProtectEU Strategy¹, the recent proposal to strengthen the mandate of the European Union Agency for Law Enforcement Cooperation (Europol), the increased funding for the European Multidisciplinary Platform Against Criminal Threats (EMPACT) for the period 2026 to 2029², and the operationalisation of the EU Action Plan against Drug Trafficking³, which foresees a stronger role for Maritime Analysis Operations Centre on Narcotics (MAOC-N).
