Recital D

Motion for a resolution

D. whereas the strategy of Islamist entryism relies, in particular, on the organised confusion between Islam as a religion, which falls under freedom of conscience, and political Islam as a societal project, which seeks to produce collective norms, derogatory regimes or community allegiances placed above common law;

Amendment

D. whereas the strategy of Islamist entryism relies, in particular, on the organised confusion between Islam as a religion, which falls under freedom of conscience, and political Islam as a societal project, which seeks to produce collective norms, derogatory regimes or community allegiances placed above common law; ***whereas the threat posed by Islamist religious fundamentalism is real and serious; whereas this threat must be assessed on the basis of objective evidence, scientific methodology and its actual scale, and warns against its instrumentalisation in public and political discourse;***

Recital E

Motion for a resolution

E. whereas separatist narratives, systematic victimhood, antisemitism, hatred of Israel, conspiracy narratives, challenges to secularism, the use of religion as a tool of social control or the contestation of equality between women and men may constitute markers of ideological radicalisation or Islamist influence;

Amendment

E. ***whereas the spread of state-level disinformation and ideological profiling normalises Islamophobia; whereas women wearing religious clothing face higher rates of racial discrimination than those who do not, especially when looking for work (45 % compared to 31 %), with the rate rising to 58 % for young women (16-24 years) wearing religious clothing;***
