2025/0210(BUD)

Motion for a resolution
Paragraph 26 a (new)

Motion for a resolution	*Amendment*
	26 a. Stresses that the Union's outermost regions, including the overseas countries and territories (OCTs) require specific support due to their remoteness; draws particular attention to the difficulties in access to drinking water and sanitation, to the functioning of water infrastructure, and to the need to create appropriate new infrastructure; notes in particular the poor condition of water distribution networks, which constitute common problems for the outermost regions; observes with concern that, while these problems are among the priorities of the Union's external humanitarian action, the Union's outermost regions do not appear to receive the support they deserve in addressing these serious issues;

Paragraph 43

Motion for a resolution	*Amendment*
43. Recalls that the agricultural programmes under heading 3 play a key role in bolstering support for farmers, notably the younger generation, across the Union, in particular given the farmers' discontent, and given the critical role that agriculture plays in food security; underlines that farmers are facing important challenges such as geopolitical disruptions, extreme weather conditions, epizootic diseases, market volatility, the transition to more sustainable practices, rural poverty**,** and administrative burdens; stresses the crucial role of the Common Agricultural Policy (CAP) in this regard and recalls the objectives under Article 39 of the Treaty on the Functioning of the European Union, which include increasing agricultural productivity by promoting technical progress, optimum utilisation of the factors of productions, ensuring a reasonable standard of living for farmers and farm workers, guaranteeing food security and assuring the availability of supplies and reasonable prices for consumers;	43. Motion for a resolution
Paragraph 45 a (new)

Motion for a resolution	*Amendment*
	45 a. Stresses that the Union's food security and sovereignty constitute essential components of its strategic autonomy and that the budget must support the Union's agriculture and fisheries sectors, in particular family farms, young farmers and fishers, in order to enable them to produce food in a profitable, competitive and sustainable manner; underlines the essential role of the Common Agricultural Policy (CAP) in increasing productivity through technological progress, in ensuring a fair standard of living for farmers and in guaranteeing food security; firmly rejects, in this regard, any reduction of the CAP budget in constant euros;
