Report**A10-0239/2026****Nicola Zingaretti**

A new co-ownership for the future of Euro-Mediterranean relations – the Pact for the Mediterranean
(2026/2035(INI))

Motion for a resolution**Paragraph 119***Motion for a resolution*

119. Calls for an ambitious and constructive approach to address migration phenomena at their root and to facilitate the establishment of legal pathways, with a sustained focus on talent and people development; emphasises that the Mediterranean remains one of the main migration routes and recognises that tackling irregular migration – while upholding the right to seek asylum in the EU – is a complex yet urgent and necessary challenge requiring effective cooperation with the EU's Southern Neighbourhood partners, both as origin and transit countries;

Amendment

119. Calls for an ambitious and constructive approach to address migration phenomena at their root and to facilitate the establishment of legal pathways, with a sustained focus on talent and people development; emphasises that the Mediterranean remains one of the main migration routes and recognises that tackling irregular migration – while upholding the right to seek asylum in the EU – is a complex yet urgent and necessary challenge requiring effective cooperation with the EU's Southern Neighbourhood partners, both as origin and transit countries; **condemns the**

*instrumentalisation of irregular migration
as a political weapon and a tool of hybrid
warfare in the Mediterranean;*
