Motion for a resolution
Paragraph 10

Motion for a resolution	*Amendment*
10. Supports the use of the Recovery and Resilience Facility and the horizontal enabling conditions for the freezing of EU funding to fight corruption and rule of law backsliding in Member States; stresses that funds restricted through different conditionality measures must only be released once key enabling conditions are met; urges the Member States to complete the appropriate measures to reach the milestones set out in their respective recovery and resilience plans; calls on the European Council to take action and to determine whether Hungary has committed serious and persistent breaches of EU values under Article 7(2) TEU; strongly deplores the systematic scapegoating of the LGBTQI+ community by the Hungarian authorities; underlines that the Council shares the responsibility for the protection of the values enshrined in Article 2 TEU and that the failure to do so would have long-lasting and potentially damaging consequences; insists that Parliament's role and competences be respected;	***deleted***

Motion for a resolution
Paragraph 37 a (new)

Motion for a resolution	*Amendment*
	37a. Reiterates that in all actions concerning children, whether undertaken by public or private institutions, the best interests of the child must be a primary consideration; highlights the fact that the family is the fundamental group and the natural environment for children, and that families should be afforded the necessary protection and assistance, while recognising that children should grow up in a family environment in an atmosphere of happiness, love and understanding for their full and harmonious development; calls for the EU institutions and the Member States to enhance and protect the well-being of children and their families;
